

DIGITAL AGENCY

Account / Project Manager / Producer

Cologne

We are looking for an engaging Account / Projectmanager bzws Producer to manage our projects and keep in touch with our clients.

Besides the skills for the kind of work we do, you should bring along passion about technology as well as the social skills to work with your colleagues. We are here to do business, but in a fun and caring way.

Your main responsible is to lead and manage a project from the first client interaction to the successful launch. A passionate group of strategists, creatives and developers will work together with you in a team - to achieve that goal. As our staff and clients are international fluent english is a must.

Qualifications

- 2 years of experience
- Managed projections from start to end
- Know the ins and outs of the digital business
- Know how to create estimates and invoices
- Can think conceptual as well as strategically.
- Are willing to travel

Please send your application not via snail mail, but via mail to jobs@demodern.de
