Internship Visual Design

Hamburg Cologne

We are currently looking for an intern to support our design team. At best, you are in the middle/end of your studies and/or are just keen jumping into the real world and know exactly that design is your passion and dream job.

We offer you a place where you can live your fascination with the digital-creative world together with our team of screen and motion designers, conceptualists and developers. Bring along digital design skills and ideally also a talent in Motion design and you'll jump right into production projects.

Requirements:

- Bring at least 4 months of time with you
- You have empathy and trend awareness
- You know the common design (and motion) tools
- Commitment and ability to work in a team
- You know whats hip and cool on THE internet
- You are passionate about what you do

Please send your application not via snail mail, but via mail to jobs@demodern.de
