

DIGITAL AGENCY

Accountant / Controller (m/w), Köln

Cologne

Demodern is looking for a financial expert who will help us to manage all accounting matters in the company. These are above all the cash management, the document management, the handling of the travel expenses as well as the communication with the wage and financial accounting with the tax consultant.

The place of work is the Cologne location of our agency, whereby the accounting matters of both locations (HH and Cologne) are to be coordinated. In the timing of the activity, we are basically flexible. We are currently planning a job as part of a 40-hour week.

Tasks

- Preparation of finance and payroll accounting
- cash management
- Processing of all settlements
- Construction and communication of suitable processes

Requirement

- Training as an accountant (m / w) or commercial training with appropriate training
- work experience
- Strong communication and a high degree of initiative
- Solution-oriented, efficient and structured way of working
- Sovereign handling of computers and the usual office applications

But above all, we care about heart, mind, dedication, and reliability.

Please send your application not via snail mail, but via mail to jobs@demodern.de
